Jim,

We emailed out the letter last week, and I heard back from a member of the Bears Ears Commission on Friday evening and they would like to come in on Thursday afternoon. I also sent a note out to Jackson Brossi over the weekend to make sure the President and Speaker are aware as well. I am hoping that since the commission met on Friday that the other tribal leaders are aware as well, but I will try to do some outreach today to be sure.

Base on our conversation on Friday, we are probably looking at 1-5 or so on Thursday. I will also try to get a count on how many people to expect.

Thanks, Mike

Mike,

The letter was fine. I think we may be past the need for it.

Let's pin down when they would like to come and approximately how many.

Thanks.

Gareth, Jim left it fairly open, that's why I left it open in the letter, but if you want to put in a specific date please just let me know.

Thanks, Mike

Jim,

Attached is a draft of the letter I intend to send to the Bears Ears Commission and Inter-Tribal coalition. Let me know if you have any comments, otherwise we will move forward.

Thanks, Mike
